

University of Idaho Arboretum Tour

Emeritus Professor & retired Director Richard Naskali will discuss the natural & social history of this diverse, living museum of over 11,000 trees, shrubs, & plants from Asia, Europe, & North America. Bring your family & friends to explore the geographic sections & smaller garden displays & ponds, while enjoying autumn colors in this botanical valley.

**Saturday, September 25
10 am to 12 noon
Meet near the red barn at
1200 W. Palouse River Drive**

**Visit www.whitepineinps.org for field trip information
Sponsored by the Idaho Native Plant Society White Pine Chapter**
