

White Pine Chapter Field Trips and Programs 1998 to 2007

1998

- January 24 Kamiak Butte Field Trip (Bertie Weddell)
- February 19 Herbarium night at UI Stillinger Herbarium (Angela Sondena, Pam Brunsfeld)
- March 5 Ethnobotany – Plants used in Foods, Medicine and Technology (Joy Mastrogiuseppe)
- March 26 Spring Mushrooms (Lori Carris)
- April 25 Magpie Forest Work Trip and Species List (Bertie Weddell)
- May 30 Paradise Ridge Prairie Remnant Field Trip (Juanita Lichthardt)
- June 27-28 Square Mountain Proposed RNA Field Trip (Angela Sondena, Becky Snorgrass)
- July 25-26 Kaniksu Marsh and Hanna Flats Old Growth Cedar Grove INPS State Field Trip
- August 9 Moscow Mountain Giant Cedar Grove (Janice Hill)
- September 26 UI Forest Research Nursery (Sue Morrison)

1999

- January 23 Virgil Phillips Farm Winter Walk (Juanita Lichthardt, Roger Blanchard, Bertie Weddell)
- February 25 The Bill Chipman Palouse Trail, Strategies for Restoring Native Plant Communities (Darin Saul)
- March 25 Trees and Shrubs of the Rose Family (Steve Brunsfeld)
- April 22 Remnant Western Red Cedar Groves of the Inland Northwest (Fred Johnson)
- May 1 Plant the Path with native plants along Paradise Creek and Bill Chipman (Laura Gephart, Darin Saul)
- May 22 Control weeds and see rare canyon grassland plants at Waha (property of Archie and Mary George) (Karen Gray and Bertie Weddell)
- June 19 Giant Cedar Grove and Morris Grove (Fred Johnson, Mike Hays)
- July 17 Tree Farm, property of Merrill and Mary Conitz, Deary
- August 21-22 USFS Glade Creek Campground on the Lochsa River
- October 2 Laird Park Annual Meeting / Potluck

2000

- January 20 The Tragopogon Triangle – a Palouse Polyploid Complex (Linda Cook)
- January 22 Rose Creek Preserve Field Trip
- February 24 Holistic Management of Invasive Plant Species (Linda Wilson)
- March 23 Plant Diversity in the Southwest Australia Botanical Province (Nancy Miller)
- April 20 DNA: a Short and Simple Overview (Steve Brunsfeld)
- May 20 Turnbull Wildlife Refuge (Curtis Bjork)
- June 3 Field's Spring State park (Juanita Lichthardt)
- July 22 Freeze-Out Ridge (Fred Johnson)
- August 19-20 UI Clark Fork Field Campus
- September 23 Spring Valley Reservoir Annual Meeting / Potluck

2001

- January 25 Changes in Shrub-Steppe Vegetation on the Middle Fork of the Salmon River (Jim Peek)
- February 22 Computer Aided Plant Identification (Richard Old)
- February 24 Winter Field Trip, residence of Reid and Nancy Miller (cancelled)
- March 15 Insects of Wildland Shrubs (Mal Furniss)

April 16 Domesticating the Huckleberry (Dan Barney)
April 21 Early Spring Field Trip, residence of Reid and Nancy Miller
May 12 Newman Hardwood Tree Farm Field Trip
June 30-July 1 Douglasia Field Trip, Square Mountain Proposed RNA (Angela Sondena)
August 4 Hobo Pass Cedar Grove and Nature Trail
September 22 Steptoe County Park Annual Meeting / Potluck

2002

January 24 The Native Plant Network (Kas Dumroese)
February 21 Introduction to Local Forest Habitat Types (Dennis Ferguson)
February 28 Stillinger Herbarium Tour and Work Party (Pam Brunsfeld)
March 2 UI Arboretum tour and Native Plant Grove plaque for Loren Jones (Paul Warnick)
March 28 Palouse Prairie Restoration (Dave Skinner)
March 30 Berman Creekside Park planting (Al Stage, Ray Boyd, Roger Blanchard) (also April 6)
April 18 Alien Plant Invasions and their Effect on Natives (Tim Prather)
April 27 Succession Bloom on Kamiak Butte
May 11 Succession Bloom on Kamiak Butte
June 8 Craig Mountain and Wapshilla Ridge Field Trip, Garden Creek Ranch (Janice Hill)
June 29 Wildlife Habitat Institute Tour (Gerry Queener)
July 9 Pam and Steve Brunsfeld Residence Native Plant Garden walk
July 19-21 Stillinger Herbarium collecting expedition, Glade Creek (Pam Brunsfeld, Karen Gray)
July 26-28 Sandpoint Idaho State INPS meeting
August 6 Fred Rabe Residence Native Plant Garden walk (Fred Rabe)
August 20 Bill and Diane French Residence Native Plant Garden walk (Bill and Diane French)
September 22 Hwy 95 Reroute with Palouse group of the Sierra Club, Palouse Prairie Foundation
September 28 Little Boulder Creek Campground Annual Meeting (Merrill Conitz)

2003

January 16 Biological Diversity of the Channeled Scablands (Curtis Bjork)
January 25 Virgil Phillips Farm County Park walk (Nancy Miller)
February 27 Poisonous Plants of the Inland Northwest (Patricia Talcott)
March 20 High Mountain Lakes Research Natural Areas (Fred Rabe)
April 16 Forest Planning Process USDA – Forest Service (Ihor Mereszczak, Cliff Mitchell)
May 1 UI Stillinger Herbarium Work Party (Pam Brunsfeld)
May 17 Salmon River Breaks, Canyon Blooms Hike (Curtis Bjork)
June 17 Magpie Forest (Richard Old, Trish Heekin)
June 28 Walker's Park Cedar Grove (Juanita Lichthardt)
July 18-19 Stanley Basin, INPS State Annual Meeting
October 18-19 Hager Pond, Priest River Experimental Forest, Wellner Cliffs RNA (Al Stage)

2004

January 22 Present and Past Whitebark Pine Biogeography (Bryce Richardson)
February 19 Wellner Cliffs RNA and Hager Pond Fall Field Trip Report (Dennis Ferguson, Archie George)
March 30 Conservation Easements Forum (Penelope Morgan, Dennis Murphy, Al Stage, Maynard Fosberg)

- April 10 Maynard Fosberg property, Al and Marjory Stage property Field Trip (Al Stage)
- April 21 Guide to Plants and Wildlife along the Lewis and Clark Trail (Sharon Ritter)
- May 15 Paul Warnick family property Moscow Mountain, Cedar grove, Field Trip (Paul Warnick)
- May 21-23 Conference of Northwest Herbaria, UI (Pam Brunsfeld)
- July 16-18 Upper Priest Lake INPS State Meeting and Campout (Al Stage) including 'The History of the Northern Rocky Mountain Mesic Forest Ecosystem' by Steve Brunsfeld

2005

- February 15 Vegetation – Trees and Shrubs of East Africa (Merrill Conitz)
- March 10 Work Party UI Stillinger Herbarium with Palouse Prairie Foundation
- April 6 Canary Reed Grass Research (Linda Hardesty)
- May 18 (Kas Dumroese) with Palouse Audubon
- May 21 Steptoe Butte Field Trip with Palouse Audubon
- June 3 Botanical Art: Eternalizing the Ephemeral (Richard Naskali) part of Conference of Northwest Herbaria
- June 4 The Disjunct Ecosystems of Idaho: Museums or Overnight sensation (Steve Brunsfeld) part of Conference of Northwest Herbaria
- June 11 Skyline Drive and McCrosky State Park Field Trip (Fred Johnson)
- July 8-10 Challis Hot Springs INPS Annual Meeting/Campout
- August 13 Hobo Cedar Grove Botanical Area (Juanita Lichthardt)
- September 11 Fall Potluck – Laird Park

2006

- February 8 Landscaping with Native Plants (Kathy Hutton)
- March 2 Research Natural Areas , Nez Perce Forest (Kris Hazelbaker)
- April 13 Grass Identification I (Juanita Lichthardt)
- April 26 Wild Flowers of the Columbia Plateau (Mark Turner)
- April 29 Paradise Ridge in Peak Bloom (Jacie and Wayne Jensen)
- May 27 On the Trail of Lewis and Clark I , Kamiah Area (Fred Johnson)
- June 17 Grass Identification II (Juanita Lichthardt)
- June 23-25 Annual INPS State Meeting, Farragut State Park
- July 15 On the Trail of Lewis and Clark II, East of Weippe (Fred Johnson)
- September 23 Spring Valley Reservoir, Annual Meeting / Potluck
- November 1 Maggie Ely, Photography of Pollination Ecology

2007

- January 25 Post Fire Expectations for Vegetation Regrowth and Possible Invasive Plants on the School Fire (Penny Morgan)
- February 13-14 Rare Plant Conference Boise
- February 20 Shaping of the Central Idaho Wildlands: Fire, Snow, Drought, & Predation (Jim Peek) with Friends of the Clearwater, Sierra Club and UI Environmental Law Society
- February 28 Invasive Plants and Insect Interactions (Sandord Eigenbrode)
- March 3 UI Arboretum Winter Walk (Paul Warnick)
- March 22 The Palouse Underground: A Look at Soils of the Region (Paul McDaniel)

March 26	Palouse Conservation Community Meeting (Janet Campbell, Nancy Miller)
March 31	Earth Month Kick-off at Palouse Mall (Janet Campbell, Nancy Miller)
April 12	Plant-Climate Relationships, Impacts of Global Warming and Mitigation Strategies in the Ecosystems of the West (Jerry Rehfeldt)
April 12	also Effects of Mushroom Harvest Technique and Forest Management Practices on Subsequent American Production (Kimberly Higgs, student presentation)
April 15	Field Trip residence of Reid and Nancy Miller (cancelled)
April 28	Field Trip residence of Marjory and Al Stage – National Plant Appreciation Week
May 10	Linking Social and Biophysical Conservation Perspectives in an Endangered Ecosystem: the Palouse as a model (Chris Looney, Shannon Donovan, Yaniria Sanchez de Leon, Thor Hanson, all UI PhD candidates) with Palouse Prairie Foundation
May 16	Flora of Craig Mountain (Juanita Lichthardt, Janice Hill) with Palouse Audubon and Palouse Prairie Foundation
May 19	Field Trip residence of Jerry and Elaine Queener
May 31/June 5	Field Trip to Jacie and Wayne Jensen property on Paradise Ridge
June 9	Craig Mountain (Terry Gray, Jerry Cebula, Brenda Guettler) with Palouse Audubon
June 15-17	Annual State INPS Meeting /Campout, Craters of the Moon National Monument
July 7	School House Fire Field Trip (Sarah Lewis, Pete Robichaud)
July 14-15	Little North Fork of the Clearwater (Fred Rabe, Pam Brunsfeld)
Late July	Prairie June Grass seed collection with Jacie Jensen
July 25	Field Trip residence of Ray and Bettie Hoff
August	Blue Wild Rye Grass seed collection with Jacie Jensen
August 18	Grandmother / Grandfather Mountains (Gary McFarlane)
September 15	Laird Park, Annual Meeting / Potluck
