

# THE WONDERFUL WORLD OF PENSTEMONS

***Pam Brunsfeld***

Botanist and Retired Director of the University of Idaho Herbarium

**Presentation** Pam Brunsfeld will speak about *Penstemon*, the largest genus of flowering plants endemic to North America. You will learn how to identify different *Penstemon* species and how to grow them successfully. In her front yard, Pam cultivates a collection of *Penstemon* that evokes a sense of wonder and enchantment.

**Pam Brunsfeld** has been a professional botanist for over 50 years. She is the retired Director of the University of Idaho Stillinger Herbarium, Systematic Botany instructor, Forest Service botanist, and currently owner of Brunsfeld Botanical consulting firm. Pam is also a beekeeper and will have *Penstemon* honey available for purchase this year. Stay tuned!
