The 150 Best Native Plants for Pollinators in the Inland Northwest

Book Release & Signing by Pam Brunsfeld

Presentation Pam Brunsfeld will give a short presentation, followed by book release and signing of the new book *The 150 Best Native Plants for Pollinators in the Inland Northwest - A Field Guide and Garden Reference Book.* The book features 150 plants arranged by flower color, with photos, descriptions, blooming season, growing tips, pollinator information, and fun facts for each species. Her Botanist's Bees honey includes nectar from over 60 of the species in the book that Pam also grows in her yard. The book and honey will be available for sale; great for holiday gifts! Cash, check, and Venmo are accepted.

Pam Brunsfeld has been a professional botanist for over 50 years. She is the retired Director of the University of Idaho Stillinger Herbarium, Systematic Botany and General Botany instructor, Forest Service botanist, and currently owner of Brunsfeld Botanical consulting firm.
