

Virgil Phillips Farm Restoration Projects and INPS White Pine Members Meeting

See wetland and upland restoration projects
with Friends of Phillips Farm
Meet White Pine INPS board members, discuss
chapter priorities, and elect board officers

Please join us for short, easy walking tour and discussion of restoration projects at Virgil Phillips Farm. Friends of Phillips Farm is a non-profit group focusing on recreational opportunities, environmental education, and vegetation management at the park. Our chapter grants have helped to support some of their many projects enhancing habitat that is characteristic of the Palouse Bioregion. Phillips Farm is owned by the City of Moscow and managed by Latah County Parks.

Come discuss White Pine Chapter's programs with board members. Please help shape this year's priorities, and then vote on the proposed board officers.

Snacks will be provided, please bring your favorite beverage

Sunday September 25, 2022, 4:00 – 6:00 pm

**Meet at the Gazebo at the Phillips Farm
5 miles north of Moscow on US 95**

Sponsored by the Idaho Native Plant Society White Pine Chapter
