

Thinking Outside the (Green) Box: Making your Landscape a Haven for People and Pollinators

Alissa Salmore, Landscape Architect, Pocatello ID

Learn how to apply basic concepts from the fields of ecology and landscape architecture to improve your property's landscape for the benefit of people and other life forms. We'll talk about insects, plants, water, soil and sunshine – and help you define goals for your landscape!

7:00 pm PDT, Thursday March 17, 2022

Join us via ZOOM at <https://uidaho.zoom.us/j/3240288251>

Sponsored by the Idaho Native Plant Society White Pine Chapter
